TO DEALERS

We are pleased to announce the Hudson Anti-Freeze Program for the 1952-1953 Season. Permanent and Regular Anti-Freeze will again be available as follows:

PERMANENT ANTI-FREEZE

Hudson Permanent Anti-Freeze is the finest Anti-Freeze available today. Essentially composed of an ethylene glycol solution, it is approved by the Hudson Engineering Laboratories. It contains a special corrosion inhibitor which assures maximum Anti-Freeze performance in Hudson engines. One filling lasts all Winter. The material will not evaporate and cannot boil out.

PERMANENT
ANTI-FREEZE

REGULAR ANTI-FREEZE

Hudson Regular Anti-Freeze is available both in one gallon cans and 54 gallon drums and in unlimited quantities. It is a high quality mixture of alcohol and methanol and contains a corrosion inhibitor.

REGULAR
ANTIFREEZE

The following part numbers and price schedules apply:

Part Number	Description	List Price	Dealer Net
HS 302569	Regular Anti-Freeze (one gallon cans)	\$ 1.50	\$.98
HS 302402	Regular Anti-Freeze Gal (54 Gal. Drum) Drum -	1.50 48.60	
HS 304634	Permanent Anti-Freeze (One gallon cans)	3.75	2.51

PART
NUMBER
AND
PRICES

Anti-Freeze prices are covered by Office of Price Stabilization CPR #57.

We have available for August-September, 1952, delivery of unlimited supplies of Permanent Anti-Freeze as well as all of the Regular Anti-Freeze in DRUMS that you can sell. For the first time there will be no shortage of either type Anti-Freeze!!!

PLENTY OF
PERMANENT
AND REGULAR
IN DRUMS

SELL
REGULAR
ANTI-
FREEZE
IN GALLON
CANS

SELL YOUR
EMPTY
DRUMS

WE WANT
YOUR
BUSINESS!!

- 2 -

Many Dealers prefer to sell Regular Anti-Freeze in gallon cans. This package makes an attractive display - it assures the Customer that he's getting Genuine Hudson Anti-Freeze and, of course, there is no wastage.

Order Regular Anti-freeze in Drums - the drums are worth \$.50 to \$5.00 and you can readily sell the empty drums. This reduces the cost approximately ten cents per gallon.

We are asking for your Anti-Freeze business during the coming season and want you to know that we will appreciate getting it. Attached is an order blank. If you have not already ordered your Anti-Freeze from your Zone or Distributor - do it NOW! Fill in the order blank specifying the date of shipment and mail it today.

HUDSON IS IN THE ANTI-FREEZE BUSINESS

AND WE WILL APPRECIATE SERVING

YOUR NEEDS.

TO ALL DEALERS:

Your attention is respectfully called to Page 312 of the June Service Merchandiser. In the composition of this page is an error in the model specification for Karvisors, Part Numbers HA 213288 and HA 233456.

The correct model specification for both HA 213288 and HA 233456 Karvisors is as follows:

HA 213288 Karvisor -- Fits all 48-52 Models, except 1951--1952 Hollywoods and 7B, 8B

HA 233456 Karvisor -- Fits 1951-1952 Hollywoods and 7B, 8B

Please see that your records are corrected accordingly and notify affected personnel.

With the Summer Season now before us, we again remind you of the Customer demand for Outside Visors (Karvisors), Remember -- we have the ONLY Outside Visor that is Custom-Tailored to Hudson's distinctive body lilies.

It is recommended that you DISPLAY Karvisors prominently and make sure your Customers know you have them available.

The Hudson Outside Visor (Karvisor) is an exclusive accessory with Hudson Dealers. It is designed by Hudson stylists and appears to be an integral part of the car.

There is a tremendous opportunity for volume business all through the Summer months. If you have not ordered Karvisors, do so today! Cash-in on this seasonal opportunity!!!

DO IT NOW!!!

TO DEALERS:

A New Liquid Glaze "Appearance Kit" is now available for Owner use.

The New Hudson Liquid Glaze Appearance Kit" contains the same materials which have only been furnished in large containers for shop use. The Step #1 Liquid Glaze Cleaner is formulated to remove all traces of oily film and road scum. The Step #2 Sealer gives the protective coat of Silicone Oil and Carnauba Wax that makes the finish water repellent, and impervious to dirt and road salt. The Step #3 Color Dress smooths the Sealer and brings out the depth of color of the carts finish.

The following part number and resale schedule apply:

Part Number	Description	List	Dealer Net
HS 233265	Liquid Glaze "Appearance Klt"	\$2.60	\$1.56

Twelve (12) Kits per Shipping case

Every Car Owner is a prospect for the New Liquid Glaze, "Appearance Kit". owners whose New Cars have received a Liquid Glaze beauty treatment can use the Kit for touch-up on scratches or where road tar has accumulated. The Color Dress is applicable for returning the high lustre after the car has been in service for several months. Car Owners who prefer to maintain the finish of their car themselves, will appreciate the quality and economy of the "Appearance Kit" as it contains all of the necessary ingredients to give a car a complete beauty treatment.

Step up your Over-the-Counter polish sales! Here is an Owner Special that is exclusively yours!! Order at least one case now!!!

TO DEALERS AND SERVICE STATION AGREEMENT HOLDERS:

Please refer to W. S. Milton's letter of July 24th advising of the location change on Back-Up Lights, Option "YR". This change has met with unanimous approval and an increasing percentage of car orders now list Option "YR" or Safety Group, Option "SK".

New shipments of Back-Up Lights (HA 230634) for Field installation will include the new instruction sheet. To help Dealers who have Back-Up Lights in stock we are enclosing a copy of the new installation instructions for proper guidance.

Back-Up Lights make a large contribution to safe driving. This fact is acknowledged by the majority of Car Owners. We sincerely recommend that you order either the Safety Group, Option "SK" or Back-Up Lights, Option "YR" on every New Car Order.

For Dealers who prefer to make Field installation of Accessories, we advise to always keep an ample supply of Hudson Approved Back-Up Lights on hand.

Check your stock today and order a good substantial supply right now!

TO DEALERS AND SERVICE STATION AGREEMENT HOLDERS:

We, at Hudson, are proud to present the new, powerful 8 tube Push-Button Radio for the Wasp and Hornet Models. It includes a large 6" x 9" elliptical speaker which offers greater audio volume than ever before possible,

A brand new push-to-lock tuner, having six (6) push-buttons, is used. This tuner embraces the simplest method ever devised for setting up stations on a car radio. It is only necessary to tune in the station, pull out the push-button and then push in the button firmly and the station is set up. The sixth button on this tuner is marked "Off" and turns the radio off when it is depressed. The volume level of the radio is not disturbed by turning on or off the radio. Depressing any of the five set-up buttons turns the radio on and tunes in a station at the preselected volume,

A new open design of the radio permits, for the first time, the use of all miniature tubes - including rectifier and out-put tubes. This design also simplifies servicing.

The following part number and prices will apply:

<u>Part No.</u>	<u>Description</u>	<u>List</u>	<u>Dlr. Net</u>
HA 238060	Radio - 8 Tube, Push-Button	\$86.50	\$60.55
HA 213890	Radio Antenna	8.35	5.01

FOR MODELS 4C, 5C, AND 7C

The new Hudson Radio has a larger, easy-to-read dial with numerals evenly spaced also makes it easy-to-operate. And, it's easy to listen to, too! The new Hudson Radio has superb tone quality that will please every new Hudson Owner.

Deliver every New Hudson Wasp and Hornet with the New 8 tube Push-Button Radio installed. Always carry a good stock of Radios on hand for cars that were not ordered with Radio Option "Y".

Order your initial stock today. Attached is a convenient order blank. Fill it in and mail it to your Zone or Distributor, RIGHT NOW.

HUDSON RADIOS MATCH THE FINE QUALITY OF HUDSON CARS.

TO DEALERS AND SERVICE STATION AGREEMENT HOLDERS:

Wire Wheels were announced as a "Special Order" Option in Car Distribution Bulletin CD 53159 April 39 1953. Since then, we have had occasional inquiries from Dealers and Distributors regarding availability as Field Installed Accessories,

The following part numbers and price schedule apply:

<u>Part Number</u>	<u>Description</u>	<u>List</u>	<u>Dealer Net</u>
HA 309821	Wire Wheel Kit - Painted 1C, 2C	\$175.00	\$131.25
HA 309822	Wire Wheel Kit - Chrome Plated 1C, 2C	375.00	281.25
HA 309823	Wire Wheel Kit - Painted 4C, 5C, 7C	175.00	131.25
HA 309824	Wire Wheel Kit - Chrome Plated 4C, 5C, 7C	375.00	281.25

The Wire Wheel Kits consist of five wheel assemblies, five tire flaps and four outer hub caps.

You may have a Prospect who insists on Wire Wheels being installed on a car in your showroom or an Owner who wants wire Wheels after he has taken delivery of his car. For such occasions, you will be able to furnish Wire Wheels as Accessories.

Zones and Distributors will not carry Wire Wheels in stock, however, we will make immediate shipment on special orders direct to Dealers.
